## About Your OKC Utility Bill

Water meters are read at least once a month. Please keep your water meter accessible to City employees who read meters. Due dates cannot be changed as meters are read and billed according to a billing cycle based on geographic location.

Payment is due 15 days after the bill is mailed. Accounts are subject to water disconnect seven days after the due date. Disconnection notices are mailed. Should water be cut off for non-payment, service will be restored the next business day following our receipt of the payment.
