MONTHLY WATER USAGE

Comparing Your Monthly Usage
Month represents when your bill was created.

Glendale is prepared for water needs now and in the future. The city has a dedicated drought webpage, where you can find information about the Drought Management Plan, answers to frequently asked questions, and water conservation resources. Learn how you can save water at www.glendaleaz.com/drought

From The Heart

"From The Heart" is a voluntary program in which customers add \$2 to their city utility bills and 100% of donations are distributed to non-profit agencies that provide social services to Glendale residents in need. If you choose not to contribute, only pay the TOTAL BILLING DUE.

Payment Policy

All payments should be mailed in sufficient time to ensure receipt before the printed due date. Accounts which remain unpaid after the due date will be subject to a 1.50% per month late charge on any past due balances. If you have had two dishonored checks within the last 12 months payments must be made in cash, certified funds or credit card. Do not mail correspondence with your payment.

Delinquent Policy

Services will be scheduled for disconnect unless full payment on the previous balance is received in our office within 12 days of the Bill Date printed on the front of this statement. After an order of disconnect has been dispatched, the total due plus additional service charges including an administration fee must be paid in full before service can be reinstated. In addition, a deposit may be required on accounts with a history of delinquency.

Collection Policy

This statement constitutes formal notification that a lien may be placed against your property, your account may be referred to a third party collection agency, this balance may be reported to the three credit bureaus, and a collection fee may be added to your account if any delinquent balance is not satisfied. (See Glendale City Code, Chapter 2, Article 1, Section 2.4)

Return Check Policy

If you receive a notice of a dishonored check, the amount of the check must be replaced immediately to avoid interruption of utility services. Only cash or certified funds will be accepted as payment. A Non-Sufficient Check fee plus all applicable taxes will be charged to your account.

Help Us Help You

Customers are reminded of their obligation to ensure their water meters can be read by City employees. Meters should be kept free from overgrown plants and trees, rocks, dirt or other obstructions. Do not dispose of oil products or waste in your meter box. Damages will be charged to your account. In addition, pets should be restricted to permit ready access to water meters.
