**The Gift of Heat** Looking to surprise a friend or family member this holiday season? You can pay their natural gas bill or a portion of it. Just call us at 1-888-664-2726 with their full name and address.

**Cost of Gas** Natural gas prices have increased over the past two years. Learn why and what we're doing to help at [www.nmgco.com/en/gas\\_price](http://www.nmgco.com/en/gas_price).

**Hot Water Safety** Hot water is a leading cause of scald burns and admissions to hospital burn units. The Department of Energy recommends 120 degrees Fahrenheit as a safe temperature that uses less natural gas and helps you save money.
