Meter Information

Please note that when manually calculating your usage, your values may differ from your billing statement by as much as your multiplier number. This difference is due to the rounding down of your previous and current usage amounts during our billing process.

If NV Energy is unable to read your meter because of circumstances beyond control, you may be billed based on estimated usage for that billing period.

Energy Saving Tips

Be Smart. Save Energy.

In warm months, set the thermostat between 78 to 80 degrees when home and 5 to 10 degrees warmer at night or when you are not home.

In cold months, set the thermostat to 68 degrees when home, and then back to 55 to 68 degrees when unoccupied.

Unplug your televisions while on vacation. Most new sets draw power even when turned off.

Install electrical outlet and switch plate insulation.

Vacuum your refrigerator coils underneath and in the back. Check that no obstructions are present as the coils need air space to work.

Make sure food is cooled and covered before it goes into the refrigerator.

Turn off lights, appliances and electronics such as a computer when not in use.

Use LED bulbs instead of incandescent ones. Regular bulbs use most of the electricity to generate heat, so use care when changing bulbs.

Additional Information

Understanding Your Bill: Your bill has a lot of information and terms you may not have heard before. For definitions of all charges and taxes, please visit www.nvenergy.com/home/customercare.

Rules and Regulations: Rules, regulations, and rate schedules are available for public inspection at nvenergy.com/rates.

Payments & Due Date: Bills for service are rendered and due monthly by the due date. Your bill becomes past due on the next meter read date, at which time a 1.5% late fee is applied. All payments made by check authorize NV Energy to initiate an electronic debit. Checks will not be returned and funds may be withdrawn the same day. Please make checks payable to NV Energy.

Payment Arrangements: If you have difficulty making a payment, we are here to help. Give us a call so we can review all the options available to assist you.

Interruption in Service: NV Energy may issue a termination of service notice and may require a security deposit for delinquent payments.

Good Pay Forgiveness: Life happens - payments get lost, transactions don't go through, time slips away. Whatever the reason, we understand. We forgive a missed payment one time for customers with excellent payment history, so you don't face possible service interruptions.
