**Digging? Call 811**      April is National Safe Digging Month! Call 811 at least three business days before you begin a digging or excavation project. A locator will come out, at no charge to you, and mark the approximate location of underground utility lines up to the meter.

**Apply Today!**      The New Mexico Gas Company Native American Scholarship Program is accepting applications through May 3. Apply:

[www.nmgco.com/en/native\\_american\\_scholarship\\_program](http://www.nmgco.com/en/native_american_scholarship_program).

**Gas Detectors**      Residential methane detectors, also called gas detectors are now commercially available and are another tool to detect the presence of gas. Learn more at [www.nmgco.com/en/if\\_you\\_smell\\_gas](http://www.nmgco.com/en/if_you_smell_gas).

GRAPH DISPLAYED IN THERMS  
Average cost per day was \$15.63  
Average use per day was 35.87 therms

**TO SERVE YOU BETTER:**

Enclose your check or money order and payment stub.

Ensure the New Mexico Gas address appears in the return envelope window.

Write your account number on your check or money order.

Do not fold, staple, tape or paperclip.

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check. When we make an EFT, funds may be withdrawn from your account the same day we receive your payment, and your check will not be returned to you from your financial institution.
