POWER OUTAGES

Steps to follow:

- ✓ Check your fuses and breakers, to ensure the problem is not within your electrical system.
- ✓ Report the outage immediately if you have determined the outage is on LREMC's system by calling our toll-free number at the top of the page, 24 hours a day, 7 days a week.
- ✓ Always stay away from downed power lines.
- ✓ For up-to-date outage information, please visit our outage map at <http://outages.lumbeeriver.com/>

SAFETY TIP

If you have underground electric lines, never start a digging project without knowing where the lines are located. Call 811 before you dig to avoid serious injury, expenses or possible penalties. Call at least 48 hours before you dig. An expert will come to your home and mark the location of any utility lines.
