# Sustainability Scorecard

US/CAN properties should now access the Sustainability Scorecard should directly via mDASH. Property and above-property leaders can view the scorecard by clicking the 'Sustain' button on the home page. Data is updated monthly, apart from Responsible Sourcing, which is updated quarterly.

New to mDASH? To gain access with your EID:

1. Access mDASH request through Identity Shoppe
2. Search for the keyword mDASH and access the mDASH form
3. Click Request New Access
4. Complete and submit the request to your company approver
5. Upon completion of all previous steps, you will get a welcome email (4-5 business days)

For more information on mDASH, visit the **dedicated page on MGS**.
